Lightings of the Tree of Hope

Several Lightings of the Tree of Hope were recently held, or will soon be held throughout the entire province. Below are a few pictures of this symbolic ceremony organized lately.

100% of funds raised remain here, for our cancer patients!

1 – Each year, Dieppe's Lighting of the Tree of Hope is organized by the *Dames d'Acadie de Dieppe*. Here, we can see Martin Latulippe giving his inspirational words. 2 - Approximately 60 people attended the official Lighting of the Tree of Hope in Moncton. Mrs. Bonita Carson of Miramichi, cancer patient and

resident at the Mgr. Henri-Cormier Lodge, offered a moving testimonial. 3 – Bill Turgeon, Gisèle Savoie, and Dorothy Thériault attended Memramcook's Lighting of the Tree of Hope which was organized by the *Femmes acadiennes et francophones de Memramcook*.

It is thanks to devoted people like you that we are able to offer higher quality health care to cancer patients. Keep up the good work!
